LCHC requires payment on the day of service. This payment includes outstanding deductibles, co-payments, non-covered services, sliding fee payments and any charges remaining after insurance has made payment on your account. Please be advised that your insurance may not cover all of your charges and that you are responsible for any balance on your account and will be billed until that balance is paid. The Sliding Fee Program is for families with low incomes. This program allows patients to get a discount on the charges. You must apply with registration staff with verification of the total income and number of persons in the household. You must reapply for the program every year and payment must be made at time of service. Signing of this form indicates you are aware of above policies and procedures and were advised of the sliding fee program. I hereby authorize assignment of all insurance benefits payable directly to LCHC.

Sliding Fee Discount Program

The Sliding Fee Discount Program is a federal program that permits Lincoln Community Health Center to discount normal charges for a medical visit. According to law, it requires two pieces of information in order to qualify: the amount of money earned in the household and the number of people who live in the household. In order to be eligible for the Sliding Fee Scale, you must provide accurate and acceptable proof of income as well as list all persons within the household or you will be responsible for 100% of all charges. You must report any changes in family income or number of members in the household when these changes occur. Falsification of this information will result in forfeiture of Sliding Fee Scale privileges and possible release from the practice as it is a violation of Federal Law.

Eligibility

All Lincoln Community Health Center patients are eligible to apply for the slide. Determination of the discount, if any, is dependent upon household income and household size in comparison to the current Federal Poverty Guidelines. The discount may apply to Insurance / Medicare deductibles as well as approved non-covered services. The discount does not apply to insurance co-pays.
